End User License Agreement

priorIT services GmbH
Kohldorferstrasse 98
9020 Klagenfurt,

for the Software: 'METIS PHP Webservice Client'

Version: 1.1 as of August, 2010

Please read the following terms and conditions carefully before using this Software. Your use, distribution or installation of this copy of 'METIS PHP Webservice Client' indicates your acceptance of this License.

'Software Product' here means software, image files, all accompanying files, data and materials received with your order of 'METIS PHP Webservice Client'.

If you do not agree to any of the terms of this license, then do not install, distribute or use the Software Product. A purchased copy of the Software Product from priorIT services GmbH or an authorized distributor, reseller or any retail channel is strictly non-refundable.

Warranty covers defects in the software which prevents successfully installing the software in the buyer's PC. Warranty does not cover fitness of purpose, not meeting of expectations or needs in the mind of the buyer.

All components accompanying the software are copyrighted by priorIT services GmbH and may not be taken apart, modified, used or published with other software or means except with the Software Product and may not be distributed or copied in any manner.

This Software Product, all accompanying files, data and materials, are distributed "AS IS" and with no warranties of any kind, whether express or implied. The user must assume all risk of using the program. This disclaimer of warranty constitutes an essential part of the agreement.

In no event shall priorIT services GmbH, or its principals, shareholders, officers, employees, affiliates, contractors, subsidiaries, or parent organizations, be liable for any incidental, consequential, punitive or any other damages whatsoever relating to the use of 'METIS PHP Webservice Client'.

In addition, in no event does priorIT services GmbH authorize you to use this Software Product in applications or systems where Software Product's failure to perform can reasonably be expected to result in a physical injury, or in loss of life. Any such use by you is entirely at your own risk, and you agree to hold priorIT services GmbH harmless from any claims or losses relating to such unauthorized use.

This agreement constitutes the entire statement of the agreement between the parties on the subject matter and merges and supersedes all other or prior understandings, purchase orders, agreements and arrangements. This agreement shall be governed by the laws of Austria.

'METIS PHP Webservice Client', title and accompanying materials are the exclusive property of priorIT services GmbH. All rights of any kind, which are not expressly granted in this License, are entirely and exclusively reserved to and by priorIT services GmbH. You may not rent, lease, transfer, modify, translate, reverse engineer, de-compile, disassemble or create derivative works based on this Software Product. You may not make access to this software available to others in connection with a service bureau, application service provider, or similar business or use this software in a business to provide file compression, decompression, or conversion services to others. There are no third party beneficiaries of any promises, obligations or representations made by priorIT services GmbH herein.

You may not disclose to other persons the data or techniques relating to this Software Product that you know or should know that it is a trade secret of the priorIT services GmbH in any manner that will cause damage to priorIT services GmbH.

This software and all services provided may be used for lawful purposes only. Transmission, storage, or presentation of any information, data or material in violation of any priorIT services GmbH, State or City law is strictly prohibited. This includes but is not limited to: copyrighted material, material we judge to be threatening or obscene, or material protected by trade secret and other statute. You agree to indemnify and hold priorIT services GmbH harmless from any claims resulting from the use of this Software Product which may damage any other party.
